

## The Mennonite Trust

Dear Friends,

We are writing to people on our database who receive the Mennonite Trust's newsletters and occasional other emails. As you may be aware, many of the events we organise are now co-sponsored with our partners in the Anabaptist Network. The Network began at the London Mennonite Centre in 1991 and has had a close relationship with us ever since. And there is currently increasing convergence between these two organisations, both of which are inspired by the Anabaptist-Mennonite tradition.

Recently, we examined our database and compared this with the Anabaptist Network's database. They are of a similar size but we were surprised to discover that there is only just over a 10% overlap between them. We appreciate that some on each database may not be interested in the other organisation, or may not wish to receive additional newsletters and emails. But given the close relationship between the organisations, co-sponsored events and many shared values and interests, we thought we should invite people on each database the opportunity to receive information from both of us.

So please do see the [Anabaptist Network newsletter](#) that is sent out three times a year. If you are not already on the [Network's database](#) but would like to be, please let us know.

Shalom

Stuart Murray Williams
